Why does everyone get hung up on sugar levels with Riesling? Don't be too concerned about residual sugar. It's all about balance and refreshment! Remember, Coca Cola has 118g/l of sugar.

Chenin Blanc gets us out of bed everyday! We believe it's the most noble of wines. It shows itself brilliantly as dry, sweet, still or sparkling. The search for these wines along the banks of the Loire, as well as the communes of Vouvray, Montlouis, and Jasnières can make for a lifetime of enjoyment.

Cab Franc is another bar favorite. Although it's not as well known as its relatives, Merlot and Cabernet Sauvignon, Cab Franc has a lot to offer. Styles can vary with climate, but acidity and herbaceous-ness reign throughout
